

PHOTOGRAPHY POLICY

WAVERLEY GYMNASTICS CENTRE

PURPOSE

Waverley Gymnastics Centre (WGC) is committed to providing the highest levels of membership service. This includes protecting members' privacy, promotion of positive behaviours and protecting the health safety and wellbeing of members. By introducing policy and procedures regarding the taking and use of photographs and filming, this policy reiterates WGC's commitment to its members.

SCOPE

Photography includes but is not limited to still camera, mobile phone photos and any form of still captured images. Filming includes but is not limited to video, mobile phone video, DVD and any form of moving captured images.

POLICY

Photography Consent

Within the registration of a gymnast to WGC, parents' consent that their child's photograph may be used for WGC related purposes (including, but not limited to the WGC website, WGC social media and collateral or promotional material) are providing consent for the duration of their membership unless they inform the officer otherwise.

Events

In alignment with the Gymnastics Victoria Photography Policy, entering your child in an external Gymnastics Victoria or Gymnastics Australia affiliated or sanctioned event allows photography consent.

Authorised Photographers

Only WGC Employees or authorised photographers and videographers are permitted to take photographs or film on the WGC premises via the correct device guidelines.

Parent/Guardian Photography

Parents or guardians are at no time permitted to enter the gymnastics facility (inclusive of the foyer) to obtain photographs or video footage of any child, including their own, unless prior consent and clearance has been organised with their child's coach or WGC Management.

With this exception, parents or guardians are not to enter the gym unless accompanied by a WGC staff member. Parents or guardians are to ensure no other WGC participant is included in any photographs or film.

If parents wish to take photographs or videos of their child during classes, they will be allowed an opportunity at the end of each quarter in "Open Week".

We ask parents to respect the WGC photography policy and adhere to the guidelines of only filming their child and reframing from including any other participants.

Devices

Where possible, WGC employees will ensure photographs and videos will be obtained on WGC owned devices (including but not limited to iPad, Cameras etc).

In the instance that a WGC device is not available, WGC employees are permitted to use their personal device with the correct privacy standards; including storing the photos in a private place (prior to sending to the Marketing Coordinator) and not allowing access to non WGC personnel. These images/videos are to be sent to the Marketing Coordinator via text or email within 24 hours. All images/videos are to be destroyed once they are no longer required.

Unsatisfactory conduct is defined as where the conduct involves a substantial or consistent failure to reach or maintain a reasonable standard of competence and diligence.

Misconduct is defined as a substantial or intentional disregard of the employer's interests.

Serious misconduct is defined as wilful or deliberate behaviour by an employee, participant or participant family member that is inconsistent with the continuation of the contract of employment, WGC Codes of Conduct and causes serious and imminent risk to:
