

VALUE CARDS

WAVERLEY GYMNASTICS CENTRE

In alignment with our commitment to holistic athlete development at Waverley Gymnastics Centre, we have developed a new initiative called 'Value Cards', to recognise the following attributes in our gymnasts:

These Value Cards are designed to provide more recognition to our gymnasts for things other than skills, levels and competitions. We believe it is important to acknowledge and celebrate the attributes and values that are so important for every child in both sport and life.

These inspiring cards will be filled out and presented directly to a gymnast during class, any time coaches see an outstanding example of one of these behaviours.

These cards are not intended to be handed out 'every day', rather they are special recognition for stand out examples of these attributes/values in training. We really look forward to acknowledging these values amongst our amazing gymnasts.
