

WAG INTERNATIONAL SQUAD COACH

Use your coaching expertise to nurture the next generation of Australian gymnasts towards achieving success on the world stage, whilst enjoying access to a world class training facility, structured mentoring, and a competitive salary package.

ABOUT US

Waverley Gymnastics Centre (WGC) has built an outstanding reputation as an industry leader in WAG through our success in consistently developing international-level gymnasts. Since 2006, WGC has achieved representation at ten World Championships, four Commonwealth Games and is the only WAG High Performance Program in Australia to have had gymnasts selected to represent Australia at the last four Olympic Games. WGC is proud to have a world-class facility that is arguably the best competitive gymnastics facility in Australia if not the World. Our High-Performance program is led by some of the best technical minds in Australia and is supported by a world-class on-site medical support team. WGC has received numerous prestigious awards including the best High-Performance coaching team in both Victoria and Australia. As one of Australia's leading WAG programs, constantly striving to achieve new heights in gymnastics!

ROLE OVERVIEW

WGC is looking to employ a passionate and experienced squad coach to lead and inspire our next generation of high-performance WAG Level 8 - Future International gymnasts through positive and expert coaching on the floor. As an integral team member, you will work collaboratively to deliver high-level coaching, programming, planning, performance reviews and both parent and gymnast engagement. This is an exciting role, working with a passionate group of talented gymnasts and coaches.

BENEFITS

- Being part of a high-performance training atmosphere where you will be surrounded by industry leaders in WAG coaching.
- Working for a sporting organisation with a proven record of Olympic, Worlds Championship and Commonwealth Games representation.
- Working in a world-class facility where we strive to provide state-of-the-art training equipment.
- Competitive salary, commensurate with experience and expertise.
- Access to an onsite medical support team who are leaders in sports physiotherapy and are regularly selected to provide physiotherapy coverage at international sporting events.
- Access to expert mentoring to support career growth with some of Australia's leading coaches.
- Provision of ongoing professional development opportunities.
- Making a lasting impact on young lives and inspiring the next generation of potential Olympians.
- Being part of a fun and inclusive team with regular social activities throughout the year.
- Attractive Eastern suburb location close to Monash Freeway and Chadstone Shopping Centre.
- A workplace that recognises the importance of good coffee – providing a free
- Barista-quality coffee machine for our staff!

SELECTION CRITERIA

- WAG or MAG Advanced Silver qualification or equivalent.
- Demonstrated experience coaching competitive gymnastics.
- Demonstrated experience in positively impacting the lives of children or young people.
- Demonstrated ability to mentor and develop gymnasts to achieve their highest potential.
- Passion for the sport and a commitment to creating a safe, positive and nurturing coaching environment.
- Excellent verbal, written and interpersonal communication skills.
- Demonstrated commitment to continuous improvement and learning.

Either a Term 4, 2023 or Term 1, 2024 is on offer so if you are seeking an exciting career opportunity in coaching with an emphasis on career growth and would like to join our amazing coaching team, this inspiring role is for you!

Please send your CV and a cover letter to Lara Bester at hpmanager@wgc.org.au (0451 103 967)
