If parents wish to pay their child's full year's tuition fees upfront in advance by February 1st, they are entitled to a 5% discount on their tuition fees.

Unfortunately, an administrative charge of \$10 may be levied and processed with your fees should the processing of your credit or debit card decline due to insufficient funds on repeated occasions.

Annual Club membership, insurance, registration and equipment levy:

This charge is for the calendar year and is billed separately. For those Educational gymnasts joining throughout the year, the amount payable is reduced quarterly. The annual charge is not refundable if you decide not to continue.

It is a requirement of membership that parents log into the parent portal and accept our policies, terms and conditions and keep their contact details up to date.

As members of an affiliated club, Waverley gymnasts are covered by Gymnastics Australia's insurance program. Please click [here](#) for more information.

Fees:

Fees are based on the per lesson charge for the class enrolled in. The amount processed for monthly fees will reflect the number of classes held in that month. This means that the monthly amount processed can differ depending on the day of the week attended. Please click [here](#) to view the days per month for billing purposes.

As charges and previous payments can be viewed by logging into the parent portal, accounts are not issued. The parent portal can be accessed from our [website](#).

Please understand that if outstanding fees are not paid, the club is not able to allow attendance.

Educational Gymnasts Annual Award Levy:

On the 1st of June, a levy of \$20 will be charged towards the cost of the level badges awarded (up to 2 a year) and the end of year trophy and memento. For those joining after 1st June, a reduced levy of \$15 will be charged on the 1st of November.

Sibling Discount:

Within the Educational and Junior Gym programs the Club offers families a sibling discount, applied to the lesser of tuition fees. This reduction in tuition fees is 10% for a second gymnast, 20% for a third gymnast and 30% for a fourth gymnast.

Length of training year:

Please note classes run continuously for 48 weeks of the year. This means that classes do run on both weeks of the government school holidays between these dates. We do not run classes on public holidays (and families are not billed).

Educational and Junior Gym:

- Anzac Day- Tuesday 25 April
- King's Birthday- Monday 10 June

Absences and Makeup Sessions:

The fees paid maintain your class position and as such there is no fee adjustment for absence. We understand you may not wish to continue to pay fees when unable to attend for extended periods and we offer instead the option being priority waitlisted. You will be offered the first suitable vacancy that arises when you advise us that you wish to return.

We want your child to enjoy the benefits of our programs so if you are away, your child unwell or you simply can't make your class, there are opportunities to book a makeup class during the government school holidays. In our Junior Gym program there is also some flexibility to offer additional makeup sessions throughout the year. Makeup classes are booked online, through the parent portal.

Notice of a decision not to continue:

Given the courtesy of 4 weeks' notice, we can set the date for your child's final class and no fees will be incurred after that date.

Class bookings for the following year:

To confirm and hold your child's place in an Educational or Junior Gym class for the next year, payment of the annual membership, insurance, registration, and levy for that year is required in November of the current year. This payment is fully refundable if the office is notified in writing of a change of mind by the 10th of January the following year.
