2027 WGC Tuition Fee Policy
Educational and Junior Gymnastics

WAVERLEY Gymnastics Centre

Annual Club membership, insurance, registration, and equipment levy

This combined charge is for the calendar year and is billed separately. For those Educational gymnasts joining throughout the year, the amount payable is reduced quarterly. The annual charge is not refundable.

It is a requirement of membership that parents accept our membership agreement and all policies, terms and conditions. As members of an affiliated club, Waverley gymnasts are covered by the Gymnastics Australia's insurance program. Please click here for more information.

Method of Payment

Tuition fees are paid via monthly instalments. As a condition of membership, a credit or debit card (Visa or Mastercard only) is recorded for processing. Fees will be charged on the 23rd of each month to cover the following month's tuition, except for January fees which will be processed on the 12th.
Unfortunately, an administrative charge of $10 may be levied and processed with your fees should the processing of your credit or debit card decline on repeated occasions. All payments processed are in Australian dollars and no card surcharge applies.

Fees

Fees are based on the per lesson charge for the class enrolled in. The amount processed for monthly fees will reflect the number of classes held in that month. This means that the monthly amount processed can differ depending on the day of the week attending.

As charges and previous payments can be viewed by logging into the parent portal, accounts are not issued. The parent portal can be accessed from our website. A position in a class will only be held if all payments are up to date.

Educational Gymnasts Annual Award Levy

On the 1st of June, a levy of $A20 will be charged towards the cost of level badges awarded (up to 2 a year) and the end-of-year gymnast trophy and memento. For those joining after 1st June, a reduced levy of $A15 will be charged as part of your annual Club membership.

Sibling Discount

The Club offers families a sibling discount, applied to the lesser tuition fees. This reduction in tuition fees is 10% for a second gymnast, 20% for a third gymnast and 30% for a fourth gymnast.

Second class discount

If a gymnast enrols in a second class, a 10% discount may apply to the lesser tuition fees.

Length of training year

Please note that classes run continuously for 48 weeks of the year. This means that classes run on both weeks of the government school holidays between these dates. We do not run classes on public holidays (nor are families billed for public holidays).

2027 Educational and Junior Gym classes:

- Commence Monday, 18th of January and conclude Sunday, 19th of December

Educational and Junior Gymnastics

WAVERLEY Gymnastics Centre

Missed classes

We understand that your child may not be unable to attend their scheduled class due to illness or family/school commitments. The fees paid maintain your class position and, as such, there is no fee adjustment for absences. We are pleased to be able to offer make-up opportunities for logged missed classes, where available. Please note that make-up classes are offered as a courtesy and are not an entitlement of membership.

Make-up classes

Junior Gymnastics (Pre-School): A makeup voucher will be generated for your future use if you log an absence in the parent portal prior to your class. Logging your absence not only provides you with the opportunity to make up the missed class but also frees up class positions for others wishing to do a makeup. Each voucher is valid for three months from the date the absence is recorded.

In Junior Gym, makeup vouchers can be used to book a make-up class up to seven days in advance throughout the year, subject to availability in any Junior Gym class. Please note that once a make-up class has been booked, we are unable to change the date or time.

Educational Gymnastics: A makeup voucher will be generated for your future use if you log an absence in the parent portal prior to your class. Each voucher is valid for three months from the date the absence is recorded.

In our Educational programs, makeup classes are offered during the government school term holidays, and a Sunday session is scheduled in addition each quarter. Educational makeup classes, when scheduled, are available for booking through the parent portal and can be booked up to 6 months in advance. Please note that once a make-up class has been booked, we are unable to change the date or time.

Suspension of membership

For periods of absence of 4 weeks or more, you can request that your membership and payments be suspended. If suspending your membership, we will find you an equivalent class on your return. While we cannot guarantee the same day or time, you would be given priority on the waitlist for your current class if that is still your preference.

If you would prefer to maintain your child's enrolment in their current class, rather than suspend, you can keep their enrolment active and fees will continue to be processed. With the make-up vouchers generated, you will be able to book make-up classes for those missed classes.

Cancellation of membership

Given the courtesy of 30 days notice, we can confirm the date for your child's final class and no further charges will be payable after that date. Any credit that remains on your account after this point will be refunded.

Class bookings for the following year

To confirm and hold your child's place in an Educational or Junior Gym class for the next year, payment of the annual membership, insurance, registration, and levy for that year is required in November of the current year. This payment is fully refundable if the office is notified in writing of a change of mind by the 10th of January the following year.

Should you have any queries, please do not hesitate to contact our friendly membership team on 9887-9611 or email membership@wgc.org.au
